

Pommeau With Calvados

A very simple recipe to make and to share.

Serve 12

Preparation : 5 minutes + 48 hours before to drink it.

Ingredients

- 1 liter apple juice
- 30cl Calvados
- 30g sugar
- 1 table spoon honey

Mix well all ingredients in a jar until the sugar and honey have melted.

Transfer this drink in bottles and seal them.

Wait for 48 hours before to taste it.

Serve fresh.
